

# Log in

## Trough the Web or Desktop App

I am logging in via the browser. It's exactly the same procedure in the Element mobile app or desktop app!

We are running Element Server Suite Community Edition (ESS). The URL for is: [ess.masali.cloud](https://ess.masali.cloud)

Log in trough the Web by going to the Server URL <https://ess.masali.cloud>

Log in trough the Desktop App "Element" (available for all operating Systems) by downloading it [here](#) and running it.

Follow the steps outlined in the video below. Our server URL is "**ess.masali.cloud**":

## Trough the Mobile App

Download the App from your App Store or by visiting the official Website of the Client:

<https://element.io/download>

Follow the steps outlined in the video below. Our server URL is "**ess.masali.cloud**":
